# IT'S FOR ALL AGES

*During New Wine we'll take our hearts deeper into the love of God in worship, our minds into God's truth with teaching, and our wills into the mission of God through encounter. Whatever your age we have a programme just for you crammed with worship, ministry and teaching.*

# GREAT SPEAKERS

*The festival will inspire and encourage all ages, so together we can spur each other on to live this Spirit-filled, radical Christian life well. To help us out we've invited great speakers, rounded up fantastic worship teams and will give oodles of time to meet God in lasting ways.*

# A TYPICAL DAY

*The day begins at 7.30am for those who love early morning prayer, followed by the morning session in the various programmes from 9am to 12.15pm.*

*In the afternoon relax, have a siesta, check out the workshops, fun and family activities or head for a balmy summer swim.*

*The evening programmes run from 6.30pm to 8.30pm and finish just in time for late night wine and cheese, music, dancing, movies, not to mention camping village shenanigans.*
