THE HEARTBEAT OF NEW WINE

WHAT! A PROGRAMME?!

Our whole lives are to be lived as an offering of worship. And one way

WORSHIP

to worship is to sing. It's never just singing though. It's honesty, and reflection, and putting things right, loving and being loved and receiving and praise. It's worship.

God didn't wind up the world and abandon us. He gave us his word to delve into and spend a lifetime pondering - so we can live life best. It's a truth and life thing. It's why we have teaching sessions.

TEACHING

To live rich, full lives we need to be empowered and equipped. That's what sets us apart as followers of Christ. Ministry is the place for that. It's safe, authentic and it's all about God with us.

MINISTRY

WHAT'S WITH THIS HAND RAISING BUSINESS?

Worship is simply an opportunity to encounter Jesus and it looks as different as every individual - that's what God intended. Maybe it's easier for you to close your eyes in worship to focus on Jesus. Maybe praise overwhelms you and it feels natural to raise your hands to God. Maybe you want to hold out your hands to receive, or surrender, or weep. We're worshipping for an audience of one. Go for it!

WHY?

New Wine is a time to focus on God, hear from his word, and worship him. Read on for what we're on about, and why.

WHAT ABOUT HOLY SPIRIT 'WEIRDNESS'?

God loves us so deeply that he wants to draw all people to himself. It's compelling. When we meet the magnetic love of God we are forever changed - and when that happens we can laugh, cry, weep, move around, or stand rock solid still. It's all very different and the best thing we can do is be open to the Holy Spirit and simply say 'yes' to him. No hype. No pressure. No drama. A simple 'yes Lord'.

WHY IS THE WORSHIP LED ON GUITAR?

God made us in his likeness to be creative geniuses, and our worship reflects that - different styles, instruments, preferences, warbles and whistles. God loves it all (as long as we're authentic and it's all about him). New Wine chooses to keep worship simple and accessible and replicable in your church. You can do the fancy pants stuff when you're home, but we're aiming to stick to what we know and what the majority of you love, with just a little clever clogs stuff thrown in to keep you on your toes.

HOW DO THE BAND GET TO BE THE BAND & THE SPEAKERS, SPEAKERS?

New Wine is about relationship. We love hanging out with you and get excited by God meeting us collectively. It's high stakes though, so we're pretty careful. We place such a high value on relationship we're only going to give the mic to those we trust, are in relationship with, call friend, and those who love Jesus as much as we do. Simply put - it's about loving God, and loving others.

NEW WINE GUIDE

We're passionate about meeting with God. There'll be lots of waiting, and praying for people who want to minister to. This might all feel like a long time. It's the same God and we'll guide you through the stage to the prayer ministry team. Real

WHAT HAPPENS?

We call it 'ministry time', and while God is free to do what he wants, we do have a rhythm. We often start with an invitation from the stage, and we change mental gears to put our stuff on hold. It's God's time, not ours, and anything might happen.

But it's safe, and if you want to receive the best thing to do is focus on him and not others. If you'd like to pray for others here's our practice, for both us and you while you're here.

PRAYING FOR HEALING

When Jesus healed, he spoke to the ailment and commanded it to be healed. He gave us the power and authority to do likewise, in his name.

PRAYING FOR OTHERS

God. To give room for this to happen for particular things or people God a bit strange, but that's just dressing. You every minute through those on and on for prayer ministry guidelines.

THE GUIDE

- Pray with the same gender and in pairs if possible.
- Ask what they would like prayer for but don't turn it into a long conversation.
- Ask permission to put your hands on the person. It's like a blessing.
- Encourage the person to be still and receive. They may hold out their hands or close their eyes.
- Pray. Ask the Holy Spirit to come. Be natural. Pray in tongues silently.
- Keep your eyes open and watch what God is doing. Listen to what God is saying.
- If you have a prophetic word offer it as a prayer, or an offering to be taken or left. Always build up, comfort and encourage (1 Cor 14:3).
- People may cry, shake or respond in other ways to what God is doing. If someone falls over, help them sit or lie down in a comfortable position. Ensure their dignity is maintained.
- Ask for help at any time. The ministry team are there to support you and the person you are praying with.

WE MAKE A LITTLE GO A LONG WAY

This ministry isn't a solo act, it's a community thing. We're simply not designed to run on our own. There are stacks of ways you can support and get involved with the work of New Wine.

PRAY New Wine is not called to events, speakers or ministries. It's called to God

and Him alone. Together we're learning what He wants us to do, and figuring out how to stay obedient to that. Please pray with and for us, that we might see His Kingdom come. The New Wine intercessors team are committed to undergirding the ministry in prayer throughout the year. If you'd like to join this mailing list email intercessors@newwine.org.nz

SERVE New Wine is a big, dynamic family, full of gifts, talents

and even the odd tourist, gap-student or passer-by. The festival simply wouldn't happen without donations of time and expertise from hundreds of volunteers. They do the hard yards in running our venues and keeping us healthy, wealthy and well. Keen to be family? Head to the team section of the website.

GIVE God gifted us in different ways and we recognise generosity and

wealth is as much a part of God's plan as programmed ministry. Those able to support New Wine financially are also family. God is calling us to equip saints for ministry; to see leaders lead well, worshippers worship in His presence, and teachers disciplined in effectiveness. We need financial resource to rise to this call. Please pray about setting up a regular automatic payment. Contact us for details.
