

APPLICATION TERMS AND CONDITIONS

This application is for the purpose of requesting a subsidy of camp registration and accommodation costs. New Wine's purpose in offering this facility is to alleviate financial hardship to enable attendance at a New Wine Summer event. No cash support is provided. Requests for subsidies are confidential and will be considered on a case-by-case basis.

Applications submitted indicate consent to the terms and conditions detailed below.

All subsidy applications must be preceded by a camp booking form.

In regions where it is applicable, New Wine will extend the early bird closing date to 31 December for all subsidy applicants who have paid 50% of their camp fees by 1 December.

In considering applications, New Wine may make any enquiries it sees fit.

Medical considerations and physical disabilities withstanding, New Wine will accommodate subsidised registrants in bunk or tent style accommodation.

New Wine is under no obligation to grant any subsidies but will equitably consider all applications.
